ABOUT US

KapitalOverseas an international student educational consulting service that assists students who wish to study in the United States, Canada, Australia and United Kingdom. Services provided by this private organization include: locating an appropriate university, obtaining substantial financial aid, assisting in obtaining proper required documentation, finding schools with on-campus job opportunities, providing visa interview assistance and an orientation to American culture.

ADMISSION PROCESS

At Kapital Overseas educational consulting services, We walk with you till the very end and make sure you understand the procedure involved regarding admissions to international universities. The requirements of different universities. They know what these universities are looking for and will suggest you universities that seek students with your Profile.
